Faculty

Mr. Clancy, Geyer's new principal, was welcomed by students and faculty this year. He is responsible for organization, administration, and supervision of all personnel and activities involved with our school. Our assistant principal, Dr. Johnson, aids Mr. Clancy in the efficient operation of Geyer. Aside from his unfortunate skating accident this year, it's been a very enjoyable and productive year.

Guidance counselors, Mr. Geller, Mrs. Gemmer, and Mr. Smith listen to student's problems and give helpful advice and also keep busy changing schedules and programing Geyerites. Mr. Smith assumed Dr. Johnson's responsibilities during his absence. Mrs. Anderson, teacher aid, and Mr. Jordan, counselor aid, were also welcome sights at Geyer this year. Much of their time is spent helping students in addition to their many other responsibilities. Mrs. Tharp, our part-time guidance counselor began the year by assisting out counselors and lightening their loads. She temporarily replaced Mr. Smith after Dr. Johnson's mishap.

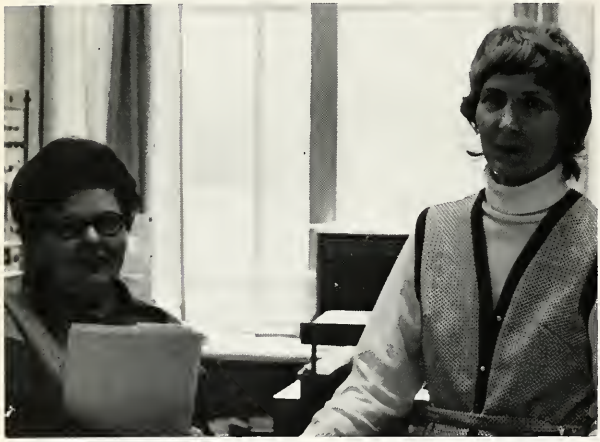
Geyer's custodial staff keeps our building in working order. Left to right are Ted Koenig, Joe Degitz, Vinni DiIanni, and Velma Fryback.

New to our building this year is Boyd Smith who functions as engineer.



Marilyn Miller, left, is Geyer's treasurer. She handles all financial matters. Ruth Beier, our secretary, handles office duties.

Mrs. Post is responsible for work done in the attendance office. She keeps track of over one thousand students.

We have the ladies above to thank for our excellent hot lunch program. What would we do without them?

Mrs. Myers aids Mr. Lewandowski in the media center.

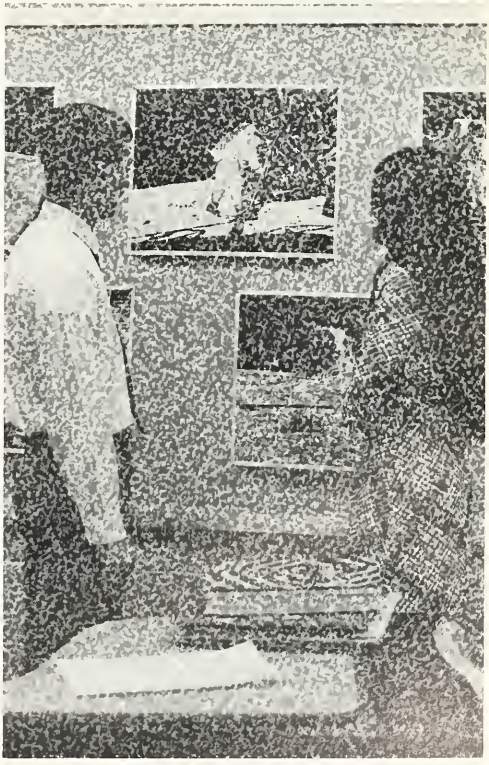
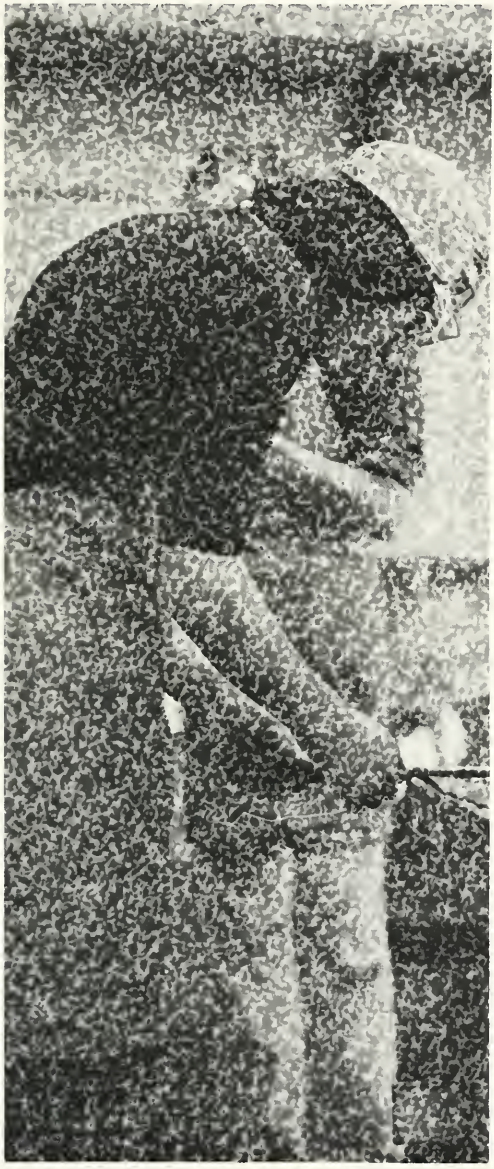
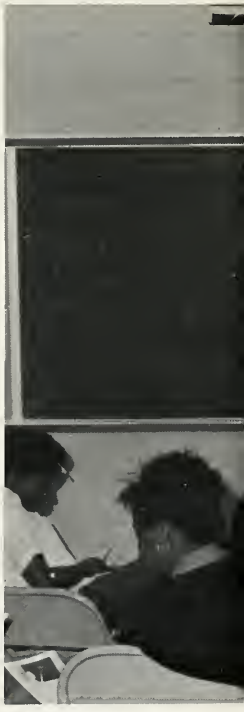
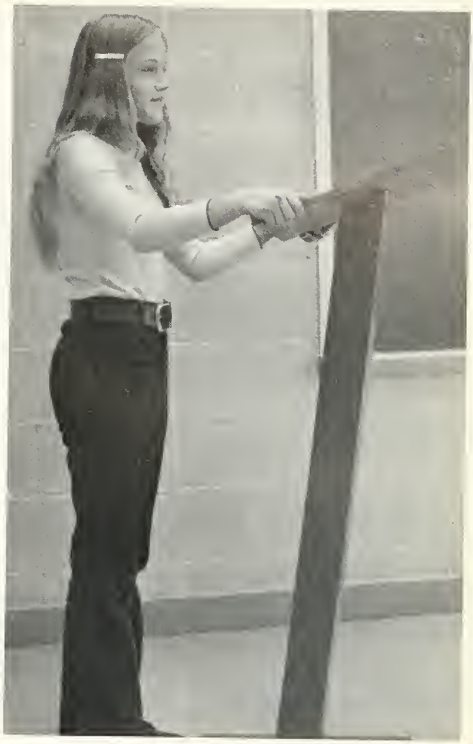
Academics





Man is Communication...





Teachers and students at Geyer are working together to provide an atmosphere where learning is fun.
Mr. Tourin, Spanish and French teacher, and his students are shown listening intently to tapes.
Mrs. Sabia assists art students in various creative projects such as still life, pottery, and macrame.
Geyer's math teachers keep busy teaching math, fundamentals of Algebra, and general math. As portrayed above, students can be of great assistance in helping each other gain a better understanding of the many functions of numbers.
English and reading classes provide students with a better understanding of life. In reading classes, students develop their skills in reading and comprehension and make good use of the library facilities. As English teachers develop curriculums for future years, students are busy enjoying various activities such as publishing a school newspaper to studying a novel.
Students have always had a love for music, the "universal language".
Mr. Gnagey is shown enhancing that love in one of his instrumental classes.

Science students learn more about man and his functions as well as the environment around him. Thanks to "Crusher" and his animal friends, all of us have shown an even greater interest in science.

Mr. Beal, math department head, is not only instructor of math students, but he also contributes to the effectiveness of our math teachers.

Shop and drafting classes prepare students for careers in industrial arts and making minor repairs around the house as well as items for the home.

Physical education classes involve participation and coordination. They also give students a chance to let off all that excess energy.

Social studies classes enable the student to learn from past mistakes. Here, Geyerites study problems of the present as well as the past worlds.

ZOO

Typing is offered as an elective at Geyer for ninth grade students. Mr. Krauhs instructs our typing classes in which students learn the fundamentals of that skill. They work to improve typing speed and accuracy.

Mrs. Nelson and Miss Pierson teach all sections of Home Economics at Ben Geyer. Students learn skills in areas of sewing and cooking as well as in personal growth, grooming, and etiquette.

Activities

Miss Fielder instructs students every Tuesday in learning new card games as well as playing ones they're already familiar with. Two students in this club enjoy playing such card games as Euchre, Minipulation, Bridge, Pinochle, Rummy, and Gin Rummy.

The Hobby Club is sponsored by Miss Miller and Miss Hazelett. This year the members will make such items as mobiles, shrink art projects, and dough flowers.

The Typing Club is open to students who are not enrolled in a typing class, but are interested in learning the skill. After the touch system for alphabet has been learned, students type mystery pictures. Mr. Krauhs is this club's sponsor.

The purpose of the A.V. Club is to teach the 7th, 8th, and 9th grade students how to operate and repair the A.V. equipment. Mr. Poor instructs these students.

The purpose of Mr. Simmons' Bicycle Club is to provide students interested in cycling a chance for group rides of up to 30 miles. It offers fellowship and good times, a chance to ride in the quiet of the countryside instead of the noise of the city.

Mr. Gerwig sponsors the Fur-Fish-Game Club whose main function is to develop a sportsmanlike attitude towards hunting, trapping, and fishing. Two aspects students are taught are game laws and their values and the proper handling of firearms.

The Science Club, sponsored by Mrs. Dunn and Mr. Williams has worked in three fields of science, health, chemistry, and physics. In this club, students are acquainted with various forms of science and their uses in the community.

Mr. Geiger, sponsor of the Drafting and Electricity Club has involved his students in house design and model house building as well as radio and electronics component building.

The Library Club consists of 21 members who have been involved in a thorough training program headed by Mr. Lewandowski. Students learn to shelve and care for their own sections of the Library as well as checking books in and out of the library.

The Yearbook Club, sponsored by Miss Brown and Mrs. Wonder is responsible for designing and organizing the yearbook. Some of the activities include drawing up layouts and writing copy. Joe Billman served as Editor-in-Chief of the Blazer this year.

Mr. Blank and Mr. Sauder instructed our young photographers in the fundamentals of camera and darkroom use. Except for album pictures, the Photography Club has provided all pictures for the Blazer.

The seventh grade intramurals involved seventh grade boys in organized athletic activities. They learned the basic fundamentals of basketball, handball, and paddle tennis.

Mrs. Pugh and Miss Reilly sponsor the ninth grade Pom Pom girls. These twelve girls performed three minute routines at all home basketball games this season.

The Concert Orchestra, directed by Mr. Gnagey, is made up of 7th, 8th, and 9th grade students. It toured three elementary feeder schools and performed at concerts given by the music department.

The Concert Choir, directed by Mrs. Drummond and Mrs. Wright spent a great deal of time preparing for concerts, assembly programs, and taking part in contests.

The 8th and 9th grade band performed at three concerts this year and went to the NISBOVA contest at Blackhawk. They also went on to tour three elementary schools and played at some of the 9th grade basketball games. Mr. Gnagey also directs this group.

The Girls Ensemble, also directed by Mrs. Drummond, is a group of girls chosen from the Concert Choir to sing at concerts and go to contest.

Miss Pierson supervises the Y-Teens, an activity sponsored by the YWCA. This program includes doing service projects for various organizations, a Night Owl party at the YWCA, and a Spring picnic.

Mr. Buzzard sponsors the Industrial Arts Club which meets one or more nights a week. Students in this club are given an opportunity to come in after school and get individual help on projects.

The Foreign Language Club, directed by Mrs. Manuel and Mr. Tourin, made a Mexican pinata for their Christmas party and students exchanged presents. Students were given an opportunity to develop an interest in the various foreign languages and cultures by corresponding with pen pals in other countries.

Mr. Myers, sponsor of H.O. Model Railroading Club, teaches the H.O. enthusiast how to make good track layouts and keep his trains in good condition.

Geyer is proud of its football teams for their outstanding performances in the 1974-75 season. Coach Twitchell feels that the ninth grade varsity team made a good showing and the scoreboard reflects this. Coach Bierbaum says that the eighth grade team was one of the best groups of young men that he has had the privilege of coaching. He feels that they showed the type of sportsmanship, athletic ability, and attitude that it takes to be a championship team. Co-captains of the eighth grade team were Byron Hunter and Vernon Martin. Coach Stahl believes that the seventh grade football team showed great potential and that we'll see good things from these athletes in the next two years.

SEVENTH GRADE FOOTBALL: Row one: Green, Benson, Thatcher, Menefee, Farrell, Bolton, Coach Sassmanshausen. Row two: Coach Stahl, Jefferson, Blanks, Chasar, Davis, Coyer, Roberson. These ninth grade athletes gave up from two to three inches per man against their opponents in every game, but managed to out-hustle and out-play most of them. Outstanding among them would have to be Lance Brown who now ranks third among the schools top scorers of all time with 201 points for the season. Our eight grade team had a season record of ten wins and four losses and was runner-up in the city tournament. Geyer's seventh grade team tied for first place in city conference play with Lane. Both teams had 4-0 records. Leading scorers were: Green, with 46; Tabron, with 34; White, with 32 (in only two games), and Hayden, with 20. Leading rebounders were Tabron with 47, Menefee with 44, and Green with 39.
